## Fund Overview

The Fund was established in 2016 and acts as an unhedged Australian feeder fund into the assets of Bridge Multifamily & Commercial Office Fund III, LP (“BMF III”). BMF III is a US\$1.1 billion (committed equity) value-add “buy, fix, sell” private equity real estate fund, investing in value-add US multifamily apartment communities and office buildings. The Fund has made a US\$53 million capital commitment to BMF III, which represents approximately 4.47% of BMF III’s total committed capital. To date approximately 94.3% of committed capital has been deployed or allocated to 62 value-add multifamily and commercial office assets located throughout the USA, at gross aggregate purchase price of circa US\$3.28 billion (including Joint Venture partnerships). BMF III’s Investment Period expired in January 2018, and the fund is now in its Harvest Period, during which assets will be sold as they are stabilised and value has been maximised.

Bridge’s subsidiary fund management companies are registered investment advisers with approximately \$20.2 billion of AUM. The principals of Bridge have been investing in real estate for 27 years and have experienced success in the multifamily, commercial office, seniors housing and CRE-backed fixed-income sectors. Bridge’s subsidiaries manage private equity funds, separately managed accounts, co-investments, and joint ventures. A vertically integrated real estate platform, Bridge and its affiliates employ over 4,000 people across 23 states and 50 metropolitan statistical areas. In 2020, Bridge was again named a Top 50 Private Equity Real Estate firm by PERE, a leading industry publication, moving up to #17 in the rankings. Bridge and its affiliates manage approximately 40,000 multifamily housing units, 12,500 senior housing units and about 14.4 million square feet of commercial office space.
